- Overall point of this position: updating information to dispense to the graduate students, communicate with the representatives, and communicate to the graduate student body via IG/FB, update the website
- Also create pamphlets, flyers, and graphics on Canva
- New ideas are always welcome

Thoughts on last semester's activities:

- Overall went very well was the general consensus
- Stay up and write probably was the best one
 - But maybe the location should be more accessible
 - Griffin?
 - Some place closer to cajun village?
 - Could split the event...two in union and two in griffin?
- Maybe we could do an ALL DAY writing event
 - Like a writing marathon
 - Have at least one GSO member there at all times, make a time block schedule
 - Can do a raffle
 - Have food

Events for next semester

- Stay up and write monthly
- Maybe all day writing event
- Cane's giveback night
- Bake sale
- Do the shirts again
- Some type of DIY event?
- Hopefully another GSO rep event at the beginning of semester
- Table for get on board day
