Fall 2022 Funding Committee Meeting 1 Minutes

18:03 –Meeting called to order

1. Review of funding applications to be voted on in the first general meeting.
    a. 24 total applications received, of which 11 had issues that have been brought to the attention of the applicants
        i. Most issues related to the wrong travel tier
2. Review of the Travel with Academic Duties by-law draft for Travel for Research
    a. Suggestions made by committee:
        i. Broaden terminology to be more inclusive of departments with program completion requirements that do not include written thesis/dissertation (i.e., Music Dept. have performance-based requirements). -Morgan
        ii. Is it possible to increase funding for international travel? (Most likely no due to university travel guidelines) -Precious
        iii. Do we need to adjust application material requirements for this category to prevent students from taking advantage of travel for research funds? -Juliette

18:39—Meeting adjourned
